Course Learning & Floral Practice

TRAINING

Floristry Support

Bouquet design
Arrangement & wrapping
Flower care
Event styling support

Completed floristry training at Duanmu Flower School in Hangzhou, covering hands-on bouquet making, floral arrangement, flower wrapping, product presentation, flower care, and event floral styling. This page supports her WHV applications for floristry assistant, event crew, retail display, gifting, hospitality styling, and seasonal support roles.

BOUQUET WORK

Hand-tied bouquet structure, colour balance, flower placement, and finishing.

ARRANGEMENT

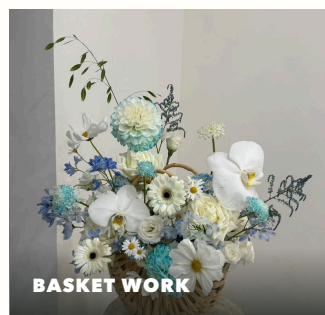

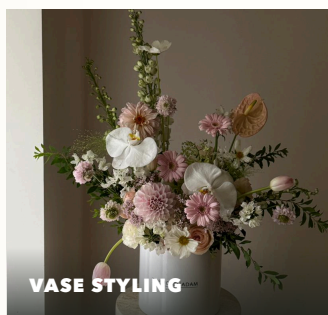

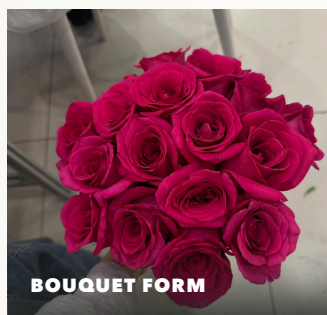

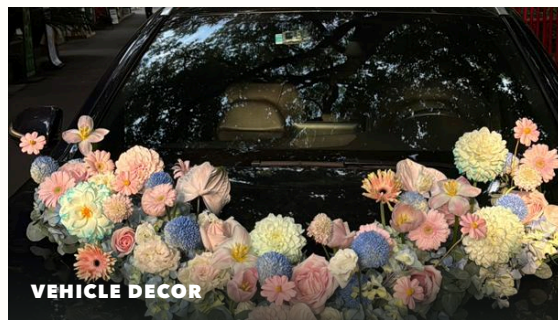

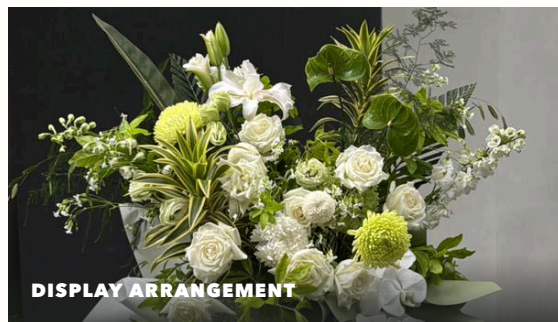

Vase, box, basket, and display composition with varied flowers and foliage.

PRESENTATION

Wrapping, ribbon detail, product styling, and customer-ready finishing.

EVENT STYLING

Setup awareness for displays, vehicle decor, and larger visual scenes.

PRACTICAL SUPPORT

Able to assist with flower preparation, basic care, arrangement support, wrapping, customer-facing presentation, and setup tasks under florist or event-team direction.

ROLE FIT

Suitable for floristry assistant, event crew, retail display support, market stall support, hospitality styling, and seasonal floral or gifting roles.
